4. Previously notified Public Questions or Issues – None received. Angela Davies – raised the issue of the orange fencing at the bottom of Netherend Crescent. MF explained that it is there to make people aware of the collapsing wall and was put there by Two Rivers Housing and that there has been many complaints about it being a hazard. Much discussion was had and it was of great concern to many parishioners and though it was explained that the responsibility lay with Two Rivers Housing it was still vehemently objected to, the Chair agreed to phone 2RH and ask them what they are doing about getting it fixed and the netting removed following the email sent by the PCk today (7/4/15). It was asked (by parishioner, Ivor Davies) if bins are allowed to be left at the front of properties at all times? The Chair explained that if the bins were on the individual's property that there was nothing the PC could do about it as it was on private property.
